In an excellent, mature park that is going from strength to strength, you can enjoy a ton of facilities including a pool and community group (you must go to Casino night!) which is very active with lots of events going on. There are spaces for caravans and plenty of guest parking and the residents are ever so friendly.

A great little Park Home at a great little price, last time it sold quickly, and this will be the same, so call me now to look and I will happily show you through!
