A Lifestyle Change with Lots of Choices

Set in the popular 'Sundown' Resort complex, this 3 bedroom relocatable home has been well maintained by the original owner and includes good quality floor coverings and window treatments. There's a combined lounge and dining area with the option of the third bedroom being used as a study or additional living space. No worries about storage with built in robes in 2 of the bedrooms and a storage cupboard in the laundry.

The enclosed rear sunroom is the ideal place to relax while the backyard offers potentially more off-street parking for a trailer or caravan. When you include a single carport and garden shed here is a home that offers a very affordable lifestyle with all the benefits of resort living!

The 'Sundown' is a unique place to relax and enjoy the quiet life with great facilities like the swimming pool and tennis court with the opportunity to enjoy a meal at the B.B.Q. area or the onsite bistro.
