Cute corner cottage

This 2 bedroom, 1 bathroom home is ideal for singles or those who want to downsize on a budget.

Positioned on a corner site which gives it a great street presence and allows plenty of natural light to flood into the home via the bay windows. All of the windows are finished with white plantations shutters, coupled with the modern grey timber look flooring which gives this home a very contemporary feel. It has a delightful u-shaped kitchen with corner window and an open plan dining and lounge – all with easy care flooring and air conditioning. Both bedrooms are carpeted and have built in robes. Enjoy morning sun from the front verandah or relax in the afternoon via the sheltered rear patio.

A covered car port, washing line and handy shed complete this fabulous buy. Solar panels on the roof are an added extra bonus.
